ocial Bug Hits Average Japanese

TOKYO.—The average Japa-
se earns more, eats better food,
eives higher education, and en-
's himself oftener than he did
fore World War II.
At the same time, there have
en changes in the way he
ends his income compared with
habits of some 20 years ago.
The tempo of recovery has
ried according to groups and classes. Generally speaking, however, social differences appear to have narrowed.

These are the main conclusions of a report on the nation's life issued by the Economic Planning Agency of the Japanese Government.

Despite the higher standard of living, many Japanese still feel they were better off before World War II, the report concludes. This apparently is because they have not built up their property and stocks of goods at the former level.

Another reason for this feeling may be that the economic and social wants of the Japanese people have increased with the introduction of many new devices which make things comfortable.

The index of personal consumption, which regained the pre-war level in 1955, rose by 24 per cent in the subsequent three years. A minor recession in the period left little impact in this sector of the national economy.

The number of low-income households—those receiving public relief—has decreased from 1,920,000 in 1957 to 1,690,000 or 8.1 per cent of the total households.

The percentage spent on food in the family budget is still quite high (41.1 per cent), but this is due to the fact that the Japanese

NJCCA Efforts For Equal Treatment Of Entry

By T. UMEZUKI

When the topic "immigration question" arises, it is an old story as the National Japanese Canadian Citizens' Association began studies on this issue back in 1951.

And when we say immigration question from the standpoint of the National JCCA, it may be broken into two parts ie: a new immigrant/a member of a family or relative in Japan wishing entry into this country under sponsorship.

Although the National JCCA has the interest in new immigrants from Japan, it is secondary as its primary concern today is the problem confronting the Japanese Canadians themselves.

Call Strandees

The first step the National JCCA took on immigration matters was to open the road which enabled war-time strandees in Japan to return to Canada. In order to facilitate strandees or persons who went to Japan after the war under the "Repatriation Scheme," the National JCCA submitted a Brief to Ottawa on June 27, 1951. The Brief dealt with certain restrictive measures affecting the re-entry and immigration to Canada of persons of Japanese ancestry which prevented the reunion of Japanese Canadian families. The Brief requested the Government to give equal treatment to Canadians of Japanese ancestry as extended other Canadians, and sited the following:

(1) Natural born Canadians who were compelled to accompany their parents to Japan under the Wartime Exchange Agreement, who at the time of departure from Canada, were of minor age and who were deprived of their citizenship through the force of P.C. 10773 of November 26, 1942.

(2) Naturalized Canadians who went to Japan on the "Repatriation" plan and who through assumed force of P.C. 7355 and 7356 of December 15, 1945 are debarred from entry.

(3) Natural born Canadians of Japanese ancestry who were compelled to serve in the Japanese Armed Forces, who by virtue of the present Government are unable to return to Canada.

A National JCCA delegation followed the Brief to Ottawa. The delegates explained the circumstances to the Immigration Minister and requested the revision of the forementioned. Negotiations on this matter with the Government took place through many letters with a second delegation to Ottawa which again requested the revisions and asked for quick action on the immediate matter. It further requested the widening of categories for the re-entry of Japanese Canadians.

During the course of negotiations, and after a few years time, though it is minor, restrictive measures were gradually revised and now the immigration regulation allows Japanese Canadians to call the husband, the wife or unmarried child under the age of 21, the father over 65 or mother over the age of 60 (Regulation, Chapter 20, paragraph (d).

(Besides these categories, the finance or fiancee may be called from Japan. However, a $1,000 bond is first needed. Actually, the Immigration Minister or the decision of the Cabinet is more or less quite lenient in dealing with individual cases—usually the decision is made on either party's discretion. Each case is given careful consideration and by the merit of each case, permission for entry is being granted).

It was reported at the last meeting of the National JCCA on April 27th that there was a case just recently, where an adopted child was given permission to enter Canada from Japan. A Canadian born Nisei who went to Japan in 1940 and married a Japanese woman, returned to Canada in 1945. Since they were childless, the couple adopted a 7-year-old girl in 1954 and had her about one year before the decision to come to Canada. On the parent's entry into Canada, the child was not allowed to accompany them so she was left with relatives. On their arrival here they applied for the child's entry but were rejected. However, they continued their efforts and with the assistance of a local MP they were finally granted permission by the Immigration Minister. The child came to Canada in March this year. This case can be classified as "special consideration," and permission was given because the parents had resided with the adopted child in Japan.

Step By Step Improvement

When the National JCCA headquarters moved from Toronto to other centres on the rotation basis, Toronto JCCA then set up a special immigration committee to handle actual cases of calling family members or relatives from Japan, as well as to continue efforts for the relaxation of the regulations. The local chapter's committee, in conjunction with the Ontario JCCA (in the form of a co-committee) were granted the use of National JCCA's name in immigration matters and was extended financial assistance if it was needed to continue work to ease immigration problems of the Japanese Canadian.

Among the committee's efforts, there is one notable event. When the Immigration Minister visited Toronto in March, 1957, the committee in co-operation with the Chinese Citizens' Association met with the Minister and presented a Brief asking the Government to

BEAMSVILLE Ont.—At a recent meeting of the Executive Directors it was decided to hold an "Open House" of the Nipponia Home on Sunday, May 22nd, from 2:00 to 6:00 P.M. as a result of a questionnaire contained in the first quarterly reports of operation.

It was expressed executives keep in mind that the general directors meeting will convene on the same day at a convenient time. The report ended with the announcement that two male pen-

928 Japanese Admitted Here Out of 1.9 Million

Since the end of World War II, Canada has admitted more than 1.9 million immigrants and among them only 928 Japanese between the years of 1946 to 1951, the statistic section of the Department of Citizenship and Immigration revealed this week. In the same period, Chinese who gained entry into this country numbered 23,035, about the entire population of Japanese Canadians in Canada before the war.

Statistics show that of the 191 Japanese arriving here last year, the majority settled in British Columbia and Ontario provinces. Of the 191, 57 were male and the remaining female. During last year alone, Chinese immigration to this country was 2 561 the report indicated.

Inokuma met in a hard-fought match with Oda, a 5th degree, in the semi-finals which lasted to an

野ざらし姫

山手樹一郎

明石の門番小屋で傳八郎に発療治をしてもらった足は、もうすっかり楽になっていた。無事に石部の宿へ着けば、今夜はその傳八郎とも會えるわけである。そう考えただけでも鶴丸さまは心丈夫である。

始めは早川たち三人を供に、いや、一人ででも江戸へ下って里方土屋家の力にすがり、稲葉大膳の憎むべき悪謀を取りひしいでやらねばと、激しい怒りにもえていたが、いざ旅へ踏出してみて、鶴丸さまは女の身の弱さをひしひしと悟らされてしまった。もしあの晩傳八郎という男に逢っていなかったなら、到底追手の手をのがれることができず大阪の地をさえ踏めずに、地獄のような三日月へつれ戻されていたろう。生きてつれ戻されれば厭でも大膳に肌身をけがされなければならない。自害するほかはなかったのだ。

――恐しい。

鶴丸さまは考えても身ぶるいが出る。どうしても江戸までは傳八郎の力をたのまなくてはならない。早川たち三人に誠實はあっても追手の手をのがれる策にさえとぼしいようだ。

そういえば、困ったこと…

「名門の出だから隠密にならないとは保證できません。油断は禁物でございます」

なにか依怙地（いこじ）にでもなったようにいい張るのだ。

「それは傳八郎を遠ざけようということか」

鶴丸さまは思わずむっとした顔で表へ出てしまった。

「いや、故意に遠ざけてはかえって仇となるおそれがありましょう。つかず離れず、人が悪いようでございますが、毒を薬にするのたとえで、利用できるだけ利用することにいたしましょう」

そのような卑怯なことはきらいですと、口まで出かかったのをあやうく思いとまって、鶴丸さまは目を伏せた。東吉に悪意のないことはわかっているのに、妙に腹が立つ。その小賢しげな顔が見るのも厭な気がする。

なぜこんなに腹が立つのだろうと反省させられて、鶴丸さまはひそかに冷汗を

感ぜずにはいられなかった。たとえ三人を失っても、傳八郎だけは失いたくないと、いつの間にか考えるようになっていた。傳八郎を思い出すときは、いつもすぐお術の顔を思い出して、なにかあきたらぬうとましさがあったのに、今はそのお術の顔がすっかり消えている

フォーラム

公平な立場から(上)

晩香坡 上山知雄

去る三月十六日より四回にわたつて本紙に掲載された岩[illegible]代助氏の『日本移民についての感想』と題する御意見は、最近稀に見る『駄文』であり、同時に亦非常に時宜を得た發言ではあつたが、甚だ妥當性を欠く意見が随所に見受けられたので敢て反ばくする次第である。

先ず第一に、岩淵氏の現状把握の甘さ乃至は認識不足から來る所のもの、即ち本年二月六日付の本紙上に發表された萩原駐加大使の『日本移民に就て』の一文を過大評價し、嘗てなき明白な發言として感謝して居る様であるが、それは例えて言うならば無知且つ單純な田舎の人間が、たまたま常識ある都會人の常識的發言を恰もそれが權威ある者の言葉として畏れ戦き、ただただ感謝感激して拜聽して居ると言つた様なもので、むしろ滑稽でさえある。萩原大使も嘸かし苦笑して居られる事と思う。

大使は日本政府よりカナダに派遣された代表者として公的立場から、極く當り前の發言をしただけであり、我々日系カナダ人が常に期待して居るところの純然たる移民とは全く無關係な、政府對政府の話し合いによる少數の技術移民に觸れた點を除けば、目新らしい點は少しもないし、又公的立場にある大使にそれを望んで見ても不可能なことは明瞭である。

從つて此の問題はあくまでも我々日系カナダ市民の自發的教育と積極的努力の積み重ねに依る外は、移民政策の改善は期待され得ない。

岩淵氏は戰前の紳士協定以上の移民が近い將來にも實現しそうに思われているが、それは現狀からしても不可能に近い。なぜならば我々日系人の問題は東洋人全体の問題であり、日本人だけに特別な考慮が拂われる様な事は有り得ないし、又それ以上の問題として、カナダ政府が將來のカナダ國民を構成するであろう所の各國移民の入國を許可するに當り、取捨選擇する自由を保留して居る以上、眞に公正な見地から、つまり、人種的偏見の微塵さえもない移民政策に踏み切れるか何うかは甚だ疑問である。

『血は水よりも濃し』という言葉がある。これは人間の宿命であり、未來永劫に拭い去る事の出來ない一少くとも現在の段階ではそう考えられる——最悪である。貴方の兄弟或は子供の誰かが他の人種と結婚しその人間が新たに家族の一員として加わり、同じ屋根の下に起居する様になつた場合を假定して見る、貴方は何らの偏見も嫌惡感もなくして毎日々々を過し得るだろうか。勿論貴方の如き信仰厚き方は出來得るだろう——『それはいとやさしい事である』と貴方は言うであろう。私は貴方の言葉を信じたい。しかし大部分の人間、恐らく百人中九十九人までの人間がその『いとやさしい事』が出來ないのである。この倫理と現實の相違、キリスト教の偉大さを以てしても此の問題の解決は不可能の様である。科學に對する人間精神の立遲れはここにも潜んで居ると言える。

話を元に戻そう。

かかるが故に我々は我々の同胞が、カナダの國家に貢獻する優秀な移民として受入れられるためにはカナダ政府及び一般市民をして東洋民族の優秀性を更に認識させ理解させなくてはならない。それには我々先輩者が、ただ徒らに平々凡々と日を送ることなく、お互に切瑳琢磨して、その素質を向上し、善良且つ優秀な市民となる様、更に心掛ける可きである。

岩淵氏は、將來豫想され…て居られる様であるが、實の問題はむしろ岩淵氏を含む我々日系カナダ市民の側にある。

現在日本の青少年は、岩淵氏の考えて居られる様な非文明的な者達ではない。彼等は洗煉された近代的教養を身につけた確固たる信念と道德感を持ち、世界情勢に對する適正な判斷力、更には日進月歩する近代科學に對する專門的知識を豊富に持つて居る事を知るべきである。

毎年春ともなれば、あちこちで觀光團が組織され續々と祖國日本を訪れては居るが『我こそは文明國家から來た文明人でござい』と胸を張つて見ても、日本人から見れば何處か田舎からのお上りさん位にしか映らない。『こんな筈ではなかつたが』と歎いてみても始まるまい。自分では氣がつかなくても知らず知らずの内に時代遲れの人間になつて居る譯で、移民の質を心配する前に先ず自分の質に就て考えて見るのも悪くない事である。これは一世の方達だけではなく二世、三世の方達にも言える事で、日本に關する知識或は日本語に對する理解度が白人以下という様な事のない様、あらゆる面で知識欲を持つて頂きたい。そうする事によつて、日本人の優秀性を一般市民が理解し更に認識を深めて行くであろう、移民政策改善の道も自から開…

…クリスチャンになる事によつて移民政策が改善される等という考え方は甚だ幼稚で十九世紀の遺物的感じがするし、全くナンセンスとも言う外ない。現實はそんなに甘くはない。

恐らくこの日本文圖書館こそは藏書數においてもその内容においてもカナダ中の最も優れたもので讀書子學究者にはよき材料を提供してくれるであろう。

『右藏書の外に中央公論をはじめ、學術、史學等の月刊雜誌數種も別室に保存されている。この圖書館の財源は、大學圖書館の購入費より出ている事は勿論だが、特にKOERNER財團よりの寄付五千弗、ピーシー日系人よりの寄付千弗、外に多數の團体や個人の寄付によつている。今後とも新刊書を購入し一歩一歩充實させる方針である』と、ドアー教授は語つてい…

越境の米機撃墜 首腦會議望み薄
ソ連首相が最高會議で發表

【モスクワ發】クルシチョフソ連首相は五日、ソ連最高會議(國會)で、去る日曜ソ連領上空に飛來した米國機を撃墜したと發表、米國がソ連領土内に軍用機をとばすようなことでは、來るべき四首腦會議の成功は覺束ないと非難した。ソ連首相の、この突然な發表で最高會議につらなる全員はショックを受け深い沈默におちいると共に、傍聽席にいた駐ソ・トムソン米大使の上に衆目が注がれたのち「侵略者を葬れ」とか「ドロボウ行爲だ」と野次がとんだ(ソ連首相が米機を撃墜したとの發表について、ハガチー大統領新聞秘書官はかかることは全然知らないといつている)

△ソ連首相は、米機がソ連領土内にとんできたのはこれで二回目で最初のときもうちおとされたと述べ、もしソ連機が米國領土にとんだとすれば戰爭のはじまりとなるだろうといい、「ソ連は米機撃墜により正確なロケットを所有している」と應酬、ともかくこんな調子では來る十六日からはじまる首腦會議はとてもうまく進行するはずがないだろうと述べた。

五州で選擧

今年の夏から初冬にかけてカナダ國内の五州で總選擧が行われるが、消息筋では政府與黨が政權を保持するものとみている。ビーシー、サスカチワン、クベック、ノヴァスコシアおよびニューブランズウイック五州で選擧があるが、六月選擧が最も多い。ビーシー州は九月ごろに行い、社信黨が人氣があり、サスカチワン州では六月でシーシーエフ黨が勝利とみられている。クビック州も六月二十二日が投票日で、ナショナル・ユニオン(保守)が優勢とされている。

僅かに九二八名
十四年間に日本からの移民

△オタワ移民省統計局が今週發表したところによると第二次大戰終了後にカナダへ移民してきた數は千九百万人、トップは英國人でドイツ人、オーストリア人、イタリー人種という順の上陸者數だが、このため過去十年間におけるカナダ人口は二九・七パーセントの増加となつた。△ところで戰爭が終つたのち、一九四六年から一九五九年の十四年間に日本からカナダに入國した移民はわずかに合計九二八名、その内譯は次の通り。

△なお昨年一月から三月までの日本人移民數は六二名であつたが、今年の同期間における入國者は五〇名という數字が出ている。昨年中の日本人移民は一九一名で主にビーシー州とオンタリオが目的地であり、男性が五七名、女性が一七四名となつている。

マ王女の夫君の就職
何が最適當かの悩み

【ロンドン發】盛大な結婚式が終わり王室ヨットによるハネムーンがすむと、マ王女の夫君アントニー・アームストロング・ジョンズ氏の就職が英王室の大きな悩みとなつてくる。マガレット王女の氣を惹き結婚相手となるほど如才ないジョンズ氏は、王女との結婚で今まで通りの寫眞業にもどれなくなつている。

△それかといつて、今年三十の血氣盛りのジョンズ氏が、味氣ない儀式張つたところに引つ張り出されてスピーチしたり、テープをのんだりすることは我慢できないところであろう。で、政府では〃王女の夫君としてふさわしい仕事を與えねばならないわけ。ところがお座なりの仕事で滿足するジョンズ氏でなく、獨創的で活動的な彼に向く仕事をさがし出すことは一つの大きい悩みとされている。

Cost Readers 50c to View Glenn Miller Movie [...]

Hi There:

I haven't forgotten that I had promised to write some facts on the Jordan Brothers from Philly at this writing, but a worthwhile topic has arisen in that, once again, Universal - International pictures has re-released one of the most tender love stories ever to be filmed. . . The life story of the great world renown band leader GLENN MILLER. . . The Glenn Miller story, has been playing at the Odeon Carlton Theatre since May 5, 1960.

June Allyson stars as Helen Burger who was Glenn's College sweetheart and later became his devoted wife. James Stewart plays the part of Glenn Miller.

The Glenn Miller story is essentially a love story, always tender and sometimes a little wild. A love story that maintains an intimate mood while it builds a broad scope through Glenn's tough years, good years and the exciting years of World War II that eventually took his life at the peak of his fabulous success.

The picture is also the story of the wonderful music that came out of that love, music that enthralled America's dancing millions. Nine of the all-time Miller hits are presented in the picture played in the style established by the distinctive Glenn Miller arrangements. They include the signature song, Moonlight Serenade, String of Pearls, Pennsylvania 6-5000, and many, many others.

The real life story of the celebrated musician re-creates the exciting times in which the band master built his renowned orchestra and features the songs he made famous, played in the Miller manner. Starting from the time Glenn was struggling to find a "new sound," the picture carries him through his whirlwind romance with his wife to be, to his fabulous success in a dance hall and cafe, on the radio and in theatres, and eventually his formation of the Great Army Air Force Orchestra and the tragic flight during which he was lost.

Guest stars giving extra zest to the Glenn Miller story include, Frances Langford, Louis Armstrong, Gene Krupa, Ben Pollack, the Archie Savage Dancers, and the Modernaires, a vocal group.

More than 16,000,000 Glenn Miller records are estimated to have been sold. In one year alone, one nickel in every three spent in a juke box went for a Glenn Miller record, indicating more than 1,000,000,000 playings. One record, "Chattanooga Choo-Choo," was played at least 100,000,000 times.

The music of Glenn Miller and his orchestra was paid tribute at the Brussels World Fair in 1959 when the popular orchestra of Francis Bay and his Big Bay Band recorded "A Tribute to Glenn Miller" in stereo for distribution in Europe and the United States.

James Stewart does a wonderful job recreating a character known by sight and sound to millions the world over—a tremendous challenge to the actor. Never having met or seen Glenn Miller, Stewart had only the image of Miller from his Hollywood films and the Air Force newsreel footage for visual guidance. There is an amazing resemblance to the real Glenn Miller and James Stewart even to the rimless glasses that Stewart wears in the movie.

The Glenn Miller story, is truly a wonderful, warm and touching story. People have said that the picture is wonderful, great, tremendous, and as the teen-agers say it, it's the most!!

I think every person should go out and see this great picture in technicolor produced by Aaron Rosenberg, Directed by Anthony Mann, and written by Valentine Davies and Oscar Brodney.

People today are still buying Glenn Miller records, and it's no wonder, he truly was one of the world's best band leaders. The "new sound" that Glenn Miller had been longing to find in popular music, resulted in fame and fortune.

If you want to see this picture, cut this article out, and present it to the box office at the Odeon Carlton only, and your admission will be only 50c. This movie is one that people could watch over and over again, and never get tired of seeing, so I think you should go out and take this opportunity to take in a truly terrific movie. 'Til next time shall say bye.

P.S. Don't forget to cut this article out, and present it to the box office and be admitted for 50c.

JCCA Immigration

(continued from page one)

widen the scope of calling family members and relatives.

The Brief requested change be made in the policy of the Immigration Department and in its Immigration Regulations to place Canadians of Asian ancestry on an equal basis with other Canadians. The elimination of Section 20 (d) and the amendment of Section 20 (c) to include a citizen of any country was asked. This would eliminate the stigma of Government-imposed second-class citizenship that effected Canadian citizens of Asian ancestry.

If this change was made, it would have enabled Japanese Canadians to call their family members and most of the close relatives from Japan. Although favorable consideration was not given this request, the conference with the Minister gained some relaxation of handling applications calling family members.

When National JCCA headquarters returned to Toronto in September 1957, the Ontario-Toronto Immigration Committee transferred into the National JCCA and continued its efforts from there. In June 1958, the National JCCA again in co-operation with the Chinese Citizens' Association met with immigration officials requesting the regulations be widened to categories for calling relatives. The contents of this Brief was the same as that of the Brief presented to Ottawa in 1957. Again, the Government failed to give a clear cut answer and the regulation itself still remains unchanged. We can, however, see a more lenient attitude and treatment with individual cases since then.

JCCA'S Stand

As stated previously, National JCCA's efforts in immigration matters to date has been focused chiefly on direct concern for Japanese Canadians. If it succeeds the NJCCA may extend efforts to the problem of so-called new immigrants. But all this may take considerable time.

If persons entering Canada are Japanese Nationals, they would technically be "new immigrants". However, the matter of new immigrants is a problem of the Governments of Japan and Canada. We can very well imagine the attitude of the Japanese Government through an article Ambassador Hagiwara wrote (NC, Feb. 6, 1960) in regards to Japanese immigration to this country. But here, I would like to recall Mackenzie King's statement which he made in 1947 which seems to still be in effect as the fundamental policy of present Canadian immigration:

"I wish to make it clear that the Canadian Government is prepared at any time to enter into negotiations with other countries for special agreements for the control of admission of immigration on a basis of complete equality and reciprocity."

When the Canadian Government entered into an agreement with the Government of India, the Government of Pakistan and the Government of Ceylon with respect to the admission of new immigrants from these countries, it must have been in accordance with the above principle indicated by Mackenzie King.

Of course the agreements were made within the British Commonwealth countries and there must have been special circumstances. Therefore, the country of Japan is not applicable under the same conditions. All in all, the problem cannot be solved as easily as we wish.

Need Information

In February this year, the National JCCA revitalized the immigration committee and has planned to put more emphasis and effort into the question of calling family members and relatives from Japan on equal basis accorded other Canadian citizens. The committee is considering submitting another Brief to Ottawa in support of their requests.

In order to prepare the Brief, the National JCCA Immigration Committee requires further information on persons concerned in calling family members or relatives from Japan, outside of the permissible categories. Persons are asked to give all available information to T. Umezuki (committee member), C/o The New Canadian.

The information needed is:

—Sponsor's name, address, date of birth and place, nationality.

—Prospective immigrant's name, address, relationship to the sponsor, date and place of birth, sex, marital status and occupation.

Conditions in Japan

(Continued from Page One)

are eating better food. Consumption of meat, dairy products, and fruit has increased, while dependence upon rice as the staple diet has declined.

Japanese Eat Out More

The Japanese nowadays eat in restraunts more frequently than before and also consume more canned food.

Housing, the report goes on, is a sector where recovery has lagged conspicuously, with room space per person still below the prewar level. However, the cost of rent has declined, because more people now own houses or live in low-rent company or community houses. Only 30 per cent of the persons who came under the survey rent houses from private owners against 70 per cent in prewar days.

Limited room space, coupled with the emancipation of women, has increased greatly the demand for durable consumer goods such as washing machines, vacuum cleaners, and refrigerators. The Japanese housewife now is bent upon rationalizing the drudgery of housework, while many more married wimen are working than previously.

Cultural Expenditures

The number of maidservants has dropped almost by half.

Another feature of Japanese life today is an increase in cultural and educational expenditures. One-third of the number of urban households now own television sets against only 7.8 per cent three years ago.

Nearly half of the urban households made a pleasure trip of more than 100 kilometers (62 miles) in 1959.

A steady increase has been noted in the money spent on going to the movies, stage plays, horse and bicycle races, baseball games and wrestling matches, and on books and periodicals. More than 40 weekly magazines are published, with the total monthly circulation reaching 50,000,000 or more than half the Japanese population.

The percentage of education cost in the family budget has increased by more than 50 per cent, compared with the 1934-36 period, because more students are seeking higher education to get better jobs.

The report said that 1 out of 2 boys and girls between 12 and 16 years of age is now going to secondary school, whereas before the war only 1 out of 7 could do so. The rate of youths receiving college or university education increased from 2.5 per cent to 8.8 per cent.

Locale Keirokai Honored By Toronto Guest

By JACK NISHIZAKI

Despite the pouring rain and hail, most patient families in this locale turned out to enjoy the most successful evening of lively entertainment and refreshments at the 7th Annual Keirokai on Saturday, April 30th held at the YMCA.

Emceed by Harry Kondo for the first half and by Mits Izawa during the second, the program opened with a toast to the Queen followed by a toast to the Keiro's and a minute's silence and grace by Mr. Maruoka. Everyone enjoyed the various Japanese dishes tremendously, prepared by the Fujinkai and the families who attended.

The Kent Japanese Canadian Association president, Charles Okubo, despite the inconvenience of leaning on crutches—the result of an accident—extended a welcome in behalf of the organization to the honorary guest, Japanese Consul Katakami of Toronto and his charming wife and their two children. Welcome was also extended to eleven young Keiro's. Mr. and Mrs. Yanoshita, the eldest Issei among the group cut the cake during a ceremony honoring the elders. Two newcomers to the group are Mrs. Fujii and Mr. Seki who became sixty-five this past year. Others are Mrs. Higa, Mr. Masuda, Mr. Okubo, Mr. Fujii, Mr. Inouye and Mr. and Mrs. Nishizaki.

An interesting message was expressed by Consul Katakami during a speech which he was invited to make. His topic dealt mainly with the feelings, the attitudes and the progress between the countries of Japan, Canada and the U.S. We are quite sure that everyone found his speech informative and interesting. Mr. Takahashi thanked the Consul in behalf of the Kent club and presented him with a book entitled "Romantic Kent". It was also presented to him in behalf of the city and His Worship, Mayor Newkirk. A bouquet of roses was presented to Mrs. Katakami by Cathy Nishizaki.

The evening concluded with many local talents performing skits and songs, but the highlight of the evening came when Mrs. Katakami played a piano solo and sang in Japanese accompanied by her two sons. The Consul joined in the festivities singing various Japanese songs which, no doubt, the elders enjoyed more than the younger members of the audience. The evening came to an end, however, with the thought, "all is well
